## Review of National Risk Assessment as it applies to not-for-profit groups

On behalf of the Department of Finance, Grant Thornton is currently carrying out a review of the National Risk Assessment, with a certain focus on the not-for-profit sector. This review is concerned with matters around money laundering, terrorist funding and proliferation funding. Whilst these are not matters that would be of concern and relevance to a large number of PPN member groups, Grant Thornton are asking non-profit organisations to complete an online questionnaire for the Government's Anti-Money Laundering Steering Committee.

The information provided in this survey, will assist their understanding of the non-profit sector and will be used to inform the view of risk in the sector.

The survey is anonymous, takes 15-20 mins to complete and can be accessed here:

# Join the Kerry Cancer Support Group's Square to Share Crochet Campaign!

We're calling on the people of Kerry (and beyond!) to grab their crochet hooks and knitting needles for a special cause! Inspired by local radio presenter Kaya Flynn, we're creating beautiful blankets for service users of our Healthlink transport service.

How can you help? Crochet or knit 4-inch squares. Make a donation to support the cause. Attend one of our fun workshops to learn and create together:

**Feb 22nd, 2 PM** – The Rose Hotel **Mar 15th, 2 PM** – Kate Kearney's Cottage

Drop off your squares at Kerry Cancer Support Group's Centre (Maine Street, Tralee – V92 D567). Before Milltown Knit and Natter Group make blankets, we'll create a giant one to cover the Healthlink transport bus as a symbol of warmth and support!

Let's wrap our service users in a hug from a friend they haven't met yet—one stitch at a time!

# An Coimisiún Toghcháin's Education and Public Engagement Strategy

An Coimisiún Toghcháin, Ireland's Independent Electoral Commission is a statutory, independent body, established in 2023 with responsibility for a broad range of electoral functions set out in the Electoral Reform Act 2022.

An Coimisiún is preparing an Education and Public Engagement Strategy to encourage democratic participation in its ultimate expression, voting in a polling booth.

Their goals are simple:

all those eligible to vote should be on the electoral register;

people should understand how to vote and how their vote works; and

everyone on the register should vote at all electoral events.

To help inform the strategy, they are undertaking a comprehensive public consultation process.

The consultation began on 10 February and will finish on 24 March. If you would like to read more about the public consultation, you can find it at [www.electoralcommission.ie/consultation](http://www.electoralcommission.ie/consultation)
