

Listowel Autism Friendly Town News Round-up - September 2026

We are back after our summer break

For the remainder of 2026 our focus is to support businesses who have signed up to become Autism Friendly Champions, and help them achieve formal accreditation.

Autism Friendly champions will:

- Train staff in autism awareness: in person or on-line training module
- Produce a visual guide for their business
- Sensory Accommodations: Quiet Time, Quiet Space, Sensory Tool Kit
- Be Assistance Dog Friendly

17 of our 30 Champions are now ready for accreditation. They will receive their certificate during September.

AUTISM FRIENDLY LISTOWEL

"A Community where everyone belongs"

We are looking forward to working with Listowel Races at the Harvest Festival Family Day

We will share more details soon of how we will support our autistic community at The Races

EXCITING NEWS!

We have been selected as a finalist in the Kerry Community Awards 2026 - the event takes place at The Rose Hotel Tralee on 1st October
